

## **Nonprofit Management Program**

### *Central Carolina Community Foundation*

The Nonprofit Management Program provides limited funding for management training on organizational issues including: board development, financial management, resource development, marketing and public relations, strategic planning, personnel development and management, and technology. This training may be done on-site or off-site using training selected by the organization. The training format may be attendance at a seminar, individual consultation or group consultation. Grants for program related training will not be considered for a Nonprofit Management Grant.

#### **Nonprofit Management Grants Criteria**

##### **Eligibility**

The organization must have 501(c)(3) status from the Internal Revenue Service, must have been in existence at least two years and must have an annual operating budget of less than \$750,000. Grants will not be awarded for training that has already been completed.

##### **Scope of Awards**

- Grant awards will range in size from \$300 to \$1,000.
- Grant requests for seminars or training of less than \$300 will not be considered.
- Both board and staff members may participate.
- An organization may receive a Management Training Grant only once every two years.

##### **Application Process**

- Nonprofit Management applications are accepted throughout the year and are considered for funding as they are submitted, as long as funds are available.
- The grant application is required along with documentation to support the request (i.e., conference agenda with sessions to attend highlighted, consultant resume or contract).
- Information may be mailed or e-mailed to the address on the application.
- Applications must be made at least three weeks prior to the scheduled training.
- An advisory committee reviews the applications and makes decisions about grant awards.
- A decision on the application is usually made within three weeks of receipt.
- A brief report subsequent to the training is required.
