"**Fundraising School** is an excellent 'boot camp' for anyone deeply engaged in non-profit fundraising. The course invites the student to gather detailed donor and fundraising information from their non-profit, analyze that data, and assemble specific detailed action plans."

IS FUNDRAISING SCHOOL RIGHT FOR YOU?

- Do you need more money for your operations?
- Are you feeling overwhelmed by the responsibility of fundraising?
- Do you wish your board members would get more involved in fundraising?
- Can you devote 4 hours to attend each session for 6 weeks?
- Will you/your team spend 4-6 hours per session completing homework assignments?

"**Fundraising School** was one of the best learning experiences I've had since joining the Board of Directors at Tomorrow's Rainbow. I was challenged to learn more than I expected but walked away with a better understanding of a subject matter where my skills are deficient. The program is well-designed, the materials are practical, and the lectures were engaging. The classes are interactive yet individualized enough to apply the lessons to each of our needs."
